12,500 PEAK WATTS TRI-FUEL PORTABLE GENERATOR

COMMERCIAL SERIES

MODEL: BE12500T

FEATURES

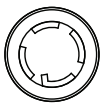

- Tri-fuel portable generator: 12,500/9,000 W gas, 11,000/8,000 W LPG, 9,000/7,200 W NG
- 458 cc VTEK engine, recoil and electric start
- Two NEMA 5-20R, one L14-30R, one 14-50R outlet, 75 A of 120/240 V
- Weather-protected outlets for reliable power in any condition
- Up to 8 hours at half load on a 25 L (6.6 gal) tank
- 74.6 dB operation at 7 m
- Fuel selector switches between gas, propane, and natural gas
- Cold weather start, CO shutdown, low oil shutdown, overload protection
- Auto-idle eco mode reduces fuel use under light loads
- LED floodlight for low-light visibility
- Powder-coated steel roll cage, folding handles, rubber feet, flat-free wheels
- One-touch start
- Ideal for job sites, home backup, off-grid use
- Includes lithium-ion battery for reliable electric start

ENGINE
Model: VTEK
Type: Air cooled, 4-stroke OHV
Displacement: 458 cc
Db rating: 74.6 dB @ 7 m
Eco mode: Auto-idle
Start type: Recoil & electric
Fuel type: 86 octane, up to 10% ethanol
Fuel tank size: 25 L (6.6 gal)
Approx run time: 8 hr @ 1/2 load
Oil type: 10W-30
Certifications: ETL, EPA

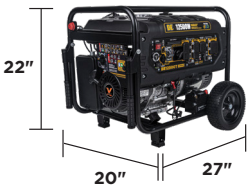

FRAME
Type: Powder-coated steel roll cage
Portability: Folding handles
Wheels: Flat-free wheels/tires
Stabilizing feet: Yes

ALTERNATOR
Max watt (Gas/LPG/NG): 12,500/11,000/9,000 W
Running watt (Gas/LPG/NG): 9,000/8,000/7,200 W
Running amps @ 120 V: 75 A
Starting amps @ 120 V: 143 A
Voltages: 120V/240V
Windings: Copper
Harmonic distortion: Max ≤23%
Grounding: Floating neutral

OUTLETS
2x NEMA 5-20R 120V duplex (GFCI)
1x 12V DC auxiliary (8.3 A)
1x NEMA L14-30R 120V/240V twist-lock
1x NEMA 14-50R 50A

BOXED SIZE
L x W x H: 32" x 22" x 23"
Weight: 233 lb

UNIT SIZE
L x W x H: 27" x 20" x 22"
Unit weight: 183 lb

WARRANTY
Engine standard: 3 years
Engine registered: 5 years
UPC: 777987383661
