4,000 PSI 5.6 GPM GAS BELT DRIVE DIESEL FIRED HOT WATER PRESSURE WASHER WITH TRIPLEX PUMP

INDUSTRIAL SERIES

MODEL: HWS4024HSBAS

FEATURES

- 4,000 PSI at 5.6 GPM performance
- Powered by a 688 cc Honda GX690 gas belt drive engine with 37.8 L (10 gal) fuel tank for consistent, reliable operation
- Diesel fired 12V Beckett burner with 64.4 L (17 gal) fuel tank
- CP CTB3S triplex pump with external unloader for durability
- Slimline stainless steel frame, designed for easy bolt-down mounting to a truck or trailer
- Includes a 50′ steel braided high pressure hose, insulated spray wand, and quick connect nozzle set
- 147′ schedule 80 heating coil
- Adjustable thermostat, flow switch, and thermal relief valve for precise temperature control and operator safety
- Ideal for mobile pressure washing and fleet wash operators needing hot water performance for grease, oil, and heavy soil removal, built for direct truck or trailer mounting

ENGINE
Model: Honda GX690
Displacement: 688 cc
Fuel tank: 10 gal (37.8 L)
Oil type: 10W-30
Oil capacity: 2.1 qt (2.0 L / 67.6 oz)
Start type: Electric
Battery: 80AH AGM Deep Cycle Battery
Drive Type: Gas Belt Drive

PUMP SPECS
Model: CP CTB3S
Type: Triplex
Part number: 85.120.159
Pump class: P11
Oil type: 30W (Non-Detergent)
Oil drain hose: Yes
RPM: 1,450

UNLOADER
Type: External

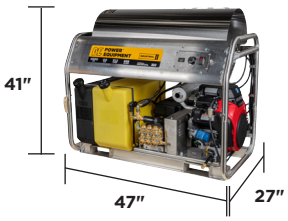

FRAME
Material: Stainless Steel
Type: Slimline Stainless Steel Skid Frame
Frame kit part number: 85.600.260s
Mounting: Built-In Truck Mount Brackets
Crane lift point: No

BURNER
Type: Diesel Fired, 12V Beckett Burner
BTU Output: 315,000
Thermostat: Adjustable
Max heat: 93°C / 199°F
Fuel type: #1, #2 Diesel or Kerosene
Fuel capacity: 17 gal (64.4 L)
Fuel tank material: Yellow Poly
Burner switch: Rocker Burner Switch
Heating coil material: 1/2″ Sch. 80 Cold Rolled Steel
Coil wrap: Stainless Steel
Coil tube length: 147′
High limit switch: Yes
Flow switch: Yes
Thermal relief valve: Yes
Rupture disk: Yes

ACCESSORIES
Hose: 50′ x 3/8″ QC Double Wire Braided Rubber Hose
Hose part number: 85.238.251
Nozzles: 0°, 15°, 25°, 40° & Soaper QC Nozzles
Nozzle part number: 85.210.060H
Gun/wand: 47″ QC Insulated Gun/Wand Assembly
Gun part number: 85.205.055
Gun/wand kit part number: 85.205.066H
Fittings: Quick Connect Fitting

SHIPPING SIZE
L x W x H: 48″ x 46″ x 51″
Weight: 975 lb (442.3 kg)

UNIT SIZE
L x W x H: 47″ x 27″ x 41″
Weight: 950 lb (430.9 kg)

WARRANTY
Engine: 3 Years
Pump: 7 Years
Burner: 3 Years
Heating Coil: Lifetime
UPC: 777987416802
